Tip Box
SMALL GESTURE. BIG IMPACT.

Let supporters give online and every month

Tip Box Giving adds your own giving page to your Tip Box account, or runs on its own with no box.

Most people who give once would give every month if it were easy. Tip Box Giving gives them a page with your name on it, takes a one-time or monthly gift by card, and lets them manage it themselves.

A giving page that is yours

Your logo, your colors, your photo and your words, with a page for each campaign. Supporters give once or every month by card.

Monthly gifts that look after themselves

Charged on the same day each month. If a card declines, the donor gets a link to update it.

Donors manage their own gifts

No account needed for donors. They open their giving with an email link to change the amount, update the card, pause or cancel, and download every receipt.

HOW IT WORKS

1. **Share your page**
   Your link, a QR code for events and flyers, or a code on a donation box's thank-you screen.
2. **They give once or monthly**
   By card, with the option to cover the processing fee.
3. **Receipts and reports**
   Receipts go out on their own, and online gifts sit beside box gifts in one report.
